As an approved vendor, VISTA has demonstrated that we have the corporate experience to meet your needs in specific medical specialties, that we can cover your geographic territory, and that we carry medical liability insurance with limits of at least \$1 million per occurrence. We have a very positive track record in providing coverage to IHS facilities in the Aberdeen Area and the Navajo Nation. We have also served VA facilities across the country throughout the years.

The FSS/GSA contract specifically allows you to select vendors based on the “best value” provided, and VISTA is committed to creating and sustaining high value in all of our relationships.

**The
VISTA
difference**

- VISTA is employee-owned—this gives us a sense of ownership for our customers' challenges.
- Best practice environment—employee-owners complete a required number of continuing education units each year to stay current in ways to meet customer's needs.
- State of the art proprietary software system—our real-time computer system provides up to the minute information on available physicians for each opportunity.
- Commitment to quality—ours includes evaluations after each assignment, with feedback from both the physician and client.
- 24/7 customer support—our employee-owners are on call whenever you need them.
- NALTO membership—VISTA Staffing Solutions is a member of the National Association of Locum Tenens Organizations (NALTO) and abides by its strict code of ethics.

How do you contract for staffing services using the FSS/GSA Schedule?

The FSS/GSA Schedule is available to all branches of the Federal Government to procure services to support a healthcare delivery system. GSA has established special ordering procedures in compliance with Section 8 of the FAR.

You can reference the GSA schedule under the following websites:

- **www.gsaelibrary.gsa.gov** – lets you find all vendors and their labor pricing. These are listed under Professional Medical Services, Schedule 621 I.
- **www.gsaadvantage.gov** – gives you a step-by-step tool to utilize the e-Buy program for procurement of services.

If you have questions, please speak to your Director of Contracting for utilizing the GSA schedule.

As an approved vendor, VISTA has met the requirements for scope of service, financial stability, quality of credentialing, and malpractice insurance. Pricing established in the FSS/GSA contract covers professional services and malpractice insurance. Costs for housing and travel will be passed through to your organization.

To contract for coverage, contact a member of VISTA's dedicated Government Sales Team by phone, fax, or email. Also, visit our web site at www.vistastaff.com/gov.
